RE: LETTER OF APPRECIATION AND RECOMMENDATION FOR LEGAL SERVICES

Dear Emmanuel,

We would like to thank you for all of your hard work in both the Noel Habimana case and the return of ownership rights of the house in Nyamirambo, Nyarugenge, Kigali to Susan P. Hollern.

We appreciate the manner in which you maneuvered our case through the courts of Rwanda. You were adaptable and flexible in every courtroom. We watched as you quickly switched tactics during trial and hearings. Your professionalism and honesty also flowed over into the opposing council. You persevered through all the trials, which allowed us to secure the win and retain our property.

We highly recommend Rukangira Law Chambers to anyone seeking legal council in Rwanda.

Thank you,

Nathan Kempton
